

ZIP-PAK®

We're Uniquely Flexible.

New Zip-Pak® Slider Select™

High quality and ergonomic design for an enhanced consumer experience.

**NEW ZIP-PAK®
SLIDER SELECT™**

- ▶ Enhanced usability, featuring an ergonomically designed “clip” that enables consumers of all ages to easily open and close a package.
- ▶ Flexible zipper profile for improved processing and manufacturing efficiencies.

- ▶ Leak resistant profile design for a range of product applications to maintain package integrity.
- ▶ High inside burst strength to protect your product.
- ▶ Clip glides smoothly across the profile and does not get wedged on the crush.
- ▶ Cost effective ultra compact slider system.
- ▶ Reduced mass of zipper and clip.
