

Enhance Consumer Experience with Your Brand

Double ZIP™

Double Zip™ provides consumers with an effortless way to achieve a complete seal - every time they use your product. Consumer research indicates that Double Zip™ is overwhelmingly preferred over packages with single track press-to-close zippers. Easily incorporate this technology onto a variety of package styles to refresh the look and functionality on your package. Value-added Double Zip™ packaging helps build brand preference through enhanced convenience and product freshness.

REVOLUTIONARY BENEFITS OF DOUBLE-ZIP™:

- Complete & secure seal, each time the product is used
- Ergonomically designed closure easily reseals for people of all ages
- Enhanced seal strength for guaranteed package integrity throughout use

DOUBLE-ZIP™ IS IDEAL FOR A BROAD RANGE OF PRODUCTS, INCLUDING:

- Deli Meats
 - Prepared Foods with Sauces
 - Shredded & Sliced Cheese
 - Frozen Foods
- ...And Many More!

We're Uniquely Flexible.
