

The Fastest Way to Get Into Resealable

INNO-LOK® ***Pre-Zippered Film***

The Inno-Lok® fast track resealable packaging solution provides unparalleled convenience. Inno-Lok® is a patented product and method of transversely attaching fasteners to packaging film. By utilizing pre-zippered film, you have the flexibility to run recloseable packaging on any line without additional capital.

REVOLUTIONARY BENEFITS OF INNO-LOK®:

- Proven choice for meeting stringent moisture & oxygen barrier requirements to preserve flavor & freshness
- Prevent spoilage & retain flavor longer than any other package
- Reinforce brand quality & integrity each time customers use the product
- Easily implemented onto vertical-form-fill-seal (VFFS) machines without compromising production speed

INNO-LOK® IS IDEAL FOR A BROAD RANGE OF PRODUCTS, INCLUDING:

- Frozen Poultry
 - Sliced Meats
 - Frozen Fruit
 - Cereal
 - & Vegetables
 - Fresh Produce
 - Cookies & Crackers
 - Baking Mix & Sugar
 - Snacks
 - Frozen Seafood
 - Pet Food
- ...And Many More!

ZIP-PAK®

We're Uniquely Flexible.
