

Sustainable.  
Resealable.  
Recyclable.

Designed for recyclability, Zip-Pak® zippers meet the needs of Eco-friendly mono-material films and pouches. Soft crushing the ends of the zipper and sealing at a low temperature enables Zip-Pak® zippers to achieve a high quality appearance and tight seam at the side seal of mono-layer pouches.

Zip-Pak®, your sustainable resealable solution.

**ZIP-PAK®**

We're Uniquely Flexible.
