# Soft Crush

Designed for recyclability, Zip-Pak® Soft-Crush zippers meet the needs of Eco-friendly mono-material PE films and pouches. Soft crushing the ends of the zipper and sealing at a low temperature enables Soft-Crush zippers to achieve a high quality appearance and tight seam at the side seal of mono-layer PE pouches.

#### REVOLUTIONARY BENEFITS OF SOFT-CRUSH:

- Designed for recyclability
- Compatible with mono-material & heat sensitive films & pouches
- High quality appearance & tight seam at side seal
- Increase line speeds with reduced dwell time
- Incorporates seamlessly into existing machinery with minor or no modifications

#### SOFT-CRUSH IS IDEAL FOR A BROAD RANGE OF PRODUCTS, INCLUDING:

- Snacks
  - Cookies & Crackers
  - Candy
  - Shredded & Sliced Cheese
  - Pet Food & Treats
- ...And Many More!
